## Arkansans Split as Group Votes Rules Change

By THE ASSOCIATED PRESS

Mississippi Gov. Ross Barnett has asked 10 other Southern governors, including Arkansas' Orval E. Faubus, to influence Dixie congressmen against a move to enlarge the House Rules Committee.

Barnett said he was concerned by the efforts of House Speaker Sam Rayburn, D-Tex., to enlarge the committee from 12 to 15 members and appoint two liberal Democrats and a Republican to the new positions.

It was learned in Washington that Arkansas' six congressmen are split on the proposal. Three said they would vote for Rayburn's plan, two said they would vote against it, and Rep. Jim Trimble of Berryville, the only Arkansan on the Rules Committee said he would not comment until the vote is taken.

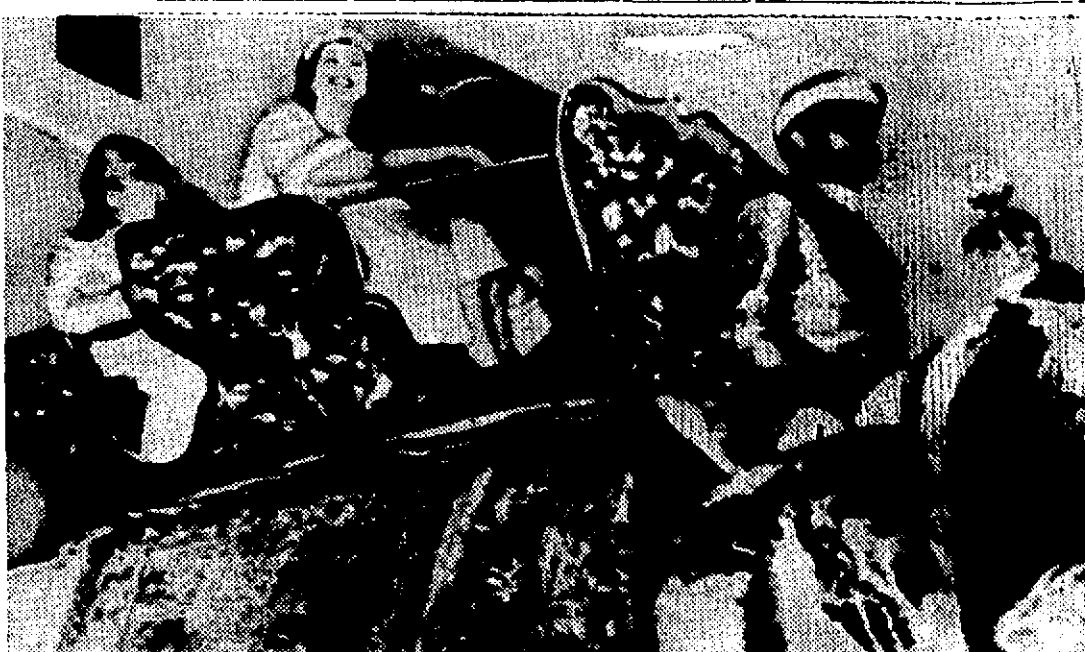

Barnett contends the increased membership is an attempt to "slack" the committee and break a deadlock caused by a coalition of Southern Democrats and Republicans.

"It is not a compromise," he said, "but merely an excuse to do indirectly what the people will not tolerate Southern caucus members doing directly, that is removing William Colmer from the committee."

Colmer, senior Mississippi representative, bolted the national party presidential ticket and there was a move to purge him from the committee post, Barnett said. Adding liberals to the Rules Committee in an effort to push through liberal programs of President Kennedy would amount to a surrender of a potent Southern weapon for use against programs objectionable to Southerners.

Faubus was not immediately available for comment on what he plans to do about Barnett's request.

The Arkansans who said they would vote for the plan were Reps. Dale Alford, Wilbur Mills and Oren Harris. Reps. W. F. Norrell and E. C. Galhings said they planned to vote against it.

## Sentence in Sleeping Beauty Case

By THE ASSOCIATED PRESS

CLEVELAND, Ohio (AP) — A juvenile court judge sentenced the mother of the "sleeping beauty" Frantantonio sisters today to the maximum penalty of a year in jail and a fine of \$500, plus costs, for secretly feeding the little girls sleep-inducing drugs.

Judge Albert A. Woldman sternly lectured the mother, Lillian Frantantonio.

"You were not only a bad mother to your children, you were a bad wife to your husband. Unless there is a change in your personality, you should not be trusted with the upbringing of your children," the judge said.

He told the 29-year-old mother of five that she was fortunate she was charged only with ill-treatment of her two daughters, Bernadette, 3, and Venita, 6. It is only a matter of luck, the judge told her, that the children escaped death and the charge was not more serious.

Asked by the court whether she had anything to say, Mrs. Frantantonio answered with a meek "no."

Mrs. Frantantonio was convicted Dec. 6 by a jury that deliberated slightly less than two hours after a two-week trial.

## Libel Suit Is Dismissed

By THE ASSOCIATED PRESS

LITTLE ROCK (AP) — Circuit Judge Guy Amsler has dismissed a half-million dollar libel suit filed against the Arkansas Gazette by former Little Rock Traffic Judge R. W. Laster, and said the case was settled out of court.

Amsler dismissed the case with prejudice, which means it cannot be brought up again. It had been scheduled for trial Feb. 20.

The settlement was not announced.

A similar suit filed by Laster for the same amount still is pending against two other defendants, Little Rock pinball machine operators Harold Dunaway and Cecil Hill. It is scheduled for trial March 7.

Arkansas Democrat reporter Bob Trout filed a libel action against the Gazette and Hill and Dunaway and a circuit court jury awarded him \$100,000. The Arkansas Supreme Court upheld the judgment but cut the amount to \$50,000.

## Castro Says Two of His Men Hanged

By ROBERT BERRELLEZ

HAVANA (AP) — Fidel Castro charged today that counterrevolutionaries had kidnapped and hanged two militiamen and a uniformed school teacher the insurgents accused of being a Communist.

Vowing vengeance, the prime minister declared the executions were carried out early this month in the hills of Las Villas Province by a group calling itself the "Army of National Liberation."

Speaking at graduation exercises for 1,200 young men and women of the militia who have qualified as teachers, Castro reported that 20 "counterrevolutionary criminals" had been captured in the area where the alleged hanging took place in south central Cuba.

As the new teachers shouted "Paradon!" to the execution wall, the prime minister pledged: "Over all of them will befall a persecution such as they could never imagine. Nothing will save them—not even mercenaries they are expecting or their imperialist bosses."

Castro blamed "henchmen in cassocks"—a reference to the Roman Catholic clergy—and "agents of imperialism" for giving "ideological arms" to the enemies of the revolution.

He attacked specifically the Spanish priests who make up a majority of the Roman Catholic clergy in Cuba.

About 100 women demonstrated in front of the presidential palace Monday night against the revival of Castro's firing squad justice and clashed with pro-Castro hecklers.

Most of them clad in black, the women marched on the palace carrying signs reading "end the execution of our sons." Fighting broke out when hecklers tried to seize a Cuban flag they were carrying. Militiamen dispersed the crowd and took one woman and several men into the palace.

The government resumed the granting of exit permits needed by Cubans and all foreigners—except tourists—to leave the country. A clampdown on such permits was imposed when the regime proclaimed an "invasion alert."

## Biting Cold Spreads Into the Northeast

By THE ASSOCIATED PRESS

More biting cold spread into the Northeast today but temperatures moderated in most of chilled South.

The season's longest and most severe cold wave showed no indication of breaking up in the Midwest or Northeast. Frigid weather was expected most of the week.

Gusty northerly winds powered a fresh mass of arctic air into the Midwest, dropping temperatures to nearly 30 degrees below zero in North Dakota and Minnesota.

Readings were in the zero to 15 below range in many parts of the northern Midwest and in parts of New England. The freezing line extended southward to Kentucky and northern Tennessee.

Cold wave warnings were issued by the Weather Bureau for Nebraska, Kansas and Missouri as the icy air swept into the upper Mississippi Valley. Colder weather was in prospect in the western and southern Plains, the central Mississippi Valley, the Ohio Valley, Tennessee and the Carolinas.

Light snow fell in some parts of the icy belt, from the Dakotas through the Great Lakes region and upper Ohio Valley. Fresh snow fell Monday in Virginia, Maryland, West Virginia, New York, and North Carolina as freezing weather was reported throughout wide areas of the South.

Temperatures increased fairly even southward to the 50s in central Texas and along the Gulf Coast and to the 60s in southern Texas and on the Western Gulf Coast.

## School Burglaries Under Investigation

By THE STAR STAFF

City Police today continued an investigation into the burglary over the weekend of Hope Junior High, the band building and two other local schools.

The burglars got \$99 in change and \$40 in bills. The money had been collected for the March of Dimes campaign. Approximately \$20 was taken from the soft drink machine in the band building.

Also last week burglars took \$20 from Garland School and less than \$100 from Brookwood. The door to the music room at Brookwood was broken open again during the weekend but nothing was missing.

## Kennedy State of Union Talk Comes Monday

By THE ASSOCIATED PRESS

WASHINGTON (AP) — President Kennedy will deliver his first State of the Union message to a joint session of Congress Monday.

House Speaker Sam Rayburn, D-Tex., told newsmen the date was agreed on at a meeting of Democratic congressional leaders with the President this morning.

He said he assumed the hour for Kennedy's appearance before the joint session will be the usual one — 12:00 p.m. EST.

Senate Democratic Leader Mike Mansfield of Montana told newsmen there was no discussion at today's meeting of the legislative recommendations that Kennedy will submit to Congress later.

He said that he expects separate messages embodying legislative proposals will be sent to Congress within a week or two after Kennedy delivers his State of the Union message.

Republicans applauded the President's decision to outline his program within a week after taking office.

Sens. Thomas H. Kuchel of California, the assistant Senate Republican leader, and Barry Goldwater, R-Ariz., said they hope Kennedy makes it clear how far he intends to go in carrying out the spending pledges in the Democratic platform.

"The people have a right to know what this New Frontier is going to cost them," Goldwater said.

Kuchel said he hopes "the excessive platform promises in Los Angeles will not be the basis for the President's proposals."

Mansfield said he is confident "every Democrat will go along as far as he can in good conscience in support of the President's program."

Mansfield said that in succeeding Vice President Lyndon B. Johnson as the Senate's majority leader he realizes that he has had to give up some of his independence as a senator. He said this is particularly true of a Democratic leader dealing with a Democratic president.

## L. R. May Get First Pay Television

By THE ASSOCIATED PRESS

LITTLE ROCK (AP) — International Telemeter Co. has announced that Little Rock will become the first U.S. city to get closed circuit pay television.

Telemeter announced an agreement with Midwest Video Corp. to begin preparations for the pay-TV channel. Midwest said it has field papers with the Arkansas Public Service Commission to obtain service from Southwestern Bell Telephone Co.

Telemeter president Louis A. Novins said this is the first of a series of actions that will be undertaken at the local level to clear the road for closed circuit pay TV in the U.S.

The company would attach coin boxes to sets and by depositing a certain amount, viewers could watch late-run movies and other high-level entertainment. There would be no commercials. Viewers still could watch the regular commercial channels.

Novins said the system has been tested and proved in Toronto, Canada, where it was installed last February.

## East Half of Nation Feels Bitter Cold

By THE ASSOCIATED PRESS

The eastern half of the nation braced for the brunt of a bitter cold wave to lay as even colder Arctic air moved on the area whipped by icy northwesterly winds.

The Weather Bureau said the new cold wave would bluster its way from the Great Plains to the Atlantic during tonight. Part of new onslaught of the huge mound of cold Arctic air already was being felt from Minnesota to the Ohio Valley.

This morning dawned in 32-degree below zero weather at International Falls, Minn., and 32 degrees above zero at Anchorage, Alaska. It was 31 below at Devils Lake, N.D., about the same time, it was 31 above at Juneau, Alaska.

Maine experienced its sixth consecutive day of biting cold with the thermometer dipping to 33 below at Old Town and no letup in sight. All New England shivered.

Concord, N.H. recorded 27 below and Rumford, Maine, 26 below.

The mercury plunged well below the zero mark in the upper Plains and the Mississippi Valley. Below-zero readings also were recorded over the North Atlantic states while the teens were common from the central Plains eastward to the northern Ohio Valley and the central Appalachians. The freezing line extended southward to Kentucky and northern Tennessee.

## Election Officials Face Charges

By THE ASSOCIATED PRESS

DE VALLS BLUFF, Ark. (AP) — An election judge and another man indicted last week by a Prairie County Grand Jury have been served with warrants charging them with belling on an election and released on bond.

Deputy Sheriff H. L. (Bud) Forrester said today that Engle Boyd of Hazen and Joe Chambers of Carlisle each posted \$300 bond.

Forrester said he served the warrant on Boyd, the election judge, Monday and that Sheriff Warren L. Minton of Lonoke County served the one on Chambers.

The indictments were returned last Wednesday by a grand jury which investigated allegations of voting irregularities in the Aug. 9 Democratic primary senatorial race between former state Sen. Jerry J. Screeton of Hazen and J. T. Gunter of Austin.

Boyd and Chambers were not cited for any belling irregularity, but for allegedly betting on the outcome of the election.

During hearing of an election contest suit filed by Gunter, testimony was presented to show that Boyd and Chambers had a \$200 bet on the election. Testimony showed that Boyd was to get the money if Screeton won, Chambers if Gunter won.

Screeton's name appeared on the general election ballot, but he was defeated by a write-in candidate, Charles L. George of Cadott. Circuit Judge W. J. Waggoner, who heard the contest suit, ordered the grand jury investigation after testimony at the hearing turned up numerous allegations of voting irregularities.

## Piracy Hits High Seas, U.S. Ships Search for Vessel

— Hope Star Sketch

By HORST BUCHHOL

SAN JUAN, Puerto Rico (AP) — Warships and planes criss-crossed old piracy trails in the Caribbean today searching for political hijackers who seized a cruise liner with the professed aim of starting the overthrow of Portugal's dictator.

The leader of the hijackers, a swashbuckling Portuguese exile named Henrique Malta Galvao, radiated that his action in taking over the liner Santa Maria Monday was the first step in a move to oust Portuguese Premier Antonio de Oliveira Salazar.

Galvao messaged the National Broadcasting Co. that all is "as normal as an ordinary cruise."

He said all the ship's more than 600 passengers — including many Americans — are safe.

"Passengers and crew asked that their families be informed they are well—and I add well and free," he added.

Two U.S. destroyers, two British frigates and about a dozen planes were zigzagging over the Caribbean and adjacent waters of the western Atlantic, off the old Spanish Main.

Their aim was to intercept and halt the luxurious, 20,906-ton vessel without harm to the passengers or the 370 crewmen—menaced by the threat of scuttling in the event of interference.

Galvao, 66, is a former army captain and author who is a fugitive from a 16-year prison sentence for treason, imposed in Portugal.

His message said the seizure was made "in the name of the international junta of liberals presided over by Gen. Humberto Delgado, president-elect of the new Portuguese republic."

Delgado, a candidate for the presidency in Portugal's 1958 election, was defeated by Rear Adm. Americo Tomaz, Salazar's candidate and the current president of Portugal. Delgado said he was robbed. He is now an exile in Brazil.

Galvao was quoted as saying he is willing to put in at the first port that would give assurance the ship will not be seized. This indicated he planned to sail on after putting the passengers ashore, but he did not specify his ultimate destination.

He saluted the Brazilian people and the Brazilian press for "constant support to our cause" — perhaps meaning the vessel was headed there.

But Rio de Janeiro authorities said they had no word the Santa Maria was headed to Brazil. They indicated the ship as a civilian craft probably would be detained for an investigation and then released to Portugal.

SAN JUAN, Puerto Rico (AP) — American and British warships and planes today hunted the Portuguese cruise ship Santa Maria, hijacked in the Caribbean by a band of 70 armed men led by an enemy of Portuguese Premier Antonio Salazar.

More than 600 passengers — including Americans, Dutch, Venezuelans and Portuguese — and a crew of 370 were reported aboard the 20,906-ton liner. At least one ship's officer was reported killed and an unknown number of crew.

## House Passes Bill Cutting Income Taxes

By THE ASSOCIATED PRESS

LITTLE ROCK (AP) — The Arkansas House Monday passed a bill giving lower income bracket wage earners a state income tax break.

The House also passed a bill to repay a one-half cent a pound tax on honey after its sponsor, Newton Itep, W.D. Baker, said the cost of collecting the tax exceeded the revenue it produced.

The income tax deduction would be most beneficial to taxpayers earning less than \$10,000, but it sets up a new rate structure for state tax assessed on incomes under \$25,000.

The bill would set the rate at one per cent for the first \$4,000, 2 per cent for the next \$4,000, 3 per cent for the next \$5,000.

The present schedule is one per cent on the first \$3,000, 2 per cent on the next \$3,000, and 3 per cent on the next \$5,000.

The House passed the bill 65-25. Most of the other bills passed Monday were of a minor nature.

A bill was introduced in the Senate to make labor unions subject to lawsuits. It is similar to one passed by both houses in 1959 and vetoed by Gov. Orval E. Faubus.

Another bill brought before the Senate was one to authorize the state Highway Commission, after approval of the voters, to issue up to \$20 million worth of bonds to match federal funds.

Faubus asked for such legislation. Continued from Page Three

## Solons Rap Antisemitic Publication

By THE ASSOCIATED PRESS

LITTLE ROCK (AP) — An anti-semitic newspaper distributed by the National States Rights Party Monday in the Arkansas Legislature drew the wrath of legislators and a formal resolution in the House.

Hempstead Rep. Talbot Field Jr. objected strongly to the paper, which purported to be the official organ of the States Rights Party. It was published at Birmingham, Ala.

Field demanded that a resolution be brought up for passage that would require approval of such material by the House Clerk before it can be passed out in the House. The resolution passed unanimously.

Sen. Ellis Fagan of Little Rock called the material in the newspaper "filth" and said a Senate rule barring distribution of unapproved literature was being violated.

The paper's lead headline proclaimed, "Reds Move Into White House" and the lead article attacked President Kennedy for naming three Jews to his cabinet.

"We ought to have some protection against stuff like this," said Field, waving the newspaper. Most of the newspaper was taken up by anti-Jewish quotes from prominent historical figures, including a number of German authors.

Mrs. E. L. Bishop of North Little Rock, national vice chairman of the States Rights Party and head of the Party's Arkansas branch, said she had distributed the newspapers and that men in both houses had given her permission before she did it.

"We thought it was a good issue," she said.

The newspaper claimed Israel put on pressure to block the appointment of Sen. J. William Fulbright, D-Ark., as Secretary of State.

## U. S. to Pay Damages to Arkansan

WASHINGTON (AP) — The government is going to have to pay damages to an Arkansas man for not letting him mine coal the way he wanted to on federal lands.

The U. S. Court of Claims has supported the contention of F. S. Neely of Fort Smith that the government had breached an ease contract permitting Neely to mine coal on federal land in eastern Oklahoma.

The court directed that its trial examiner, who heard Neely's case, consider the returns from subsequent mining operations on the land and determine what Neely's profits might have been.

Neely asked \$1,641,200 in damages. Neely was higher bidder in 1950 for a contract to mine coal on 2,000 acres of land. But the Interior Department then notified him he would not be allowed to strip mine the coal — the method he planned to use.

He sold his lease to a second company which planned to use the core mine method. However, this company decided such a method was not feasible and sold the lease to a third company which ultimately used the strip mining method to mine 132,000 tons of coal.

The Court of Claims ruled that the prohibition of strip-mining "was a breach of the contract of lease" and that Neely is entitled to damages.

## Gets 36 Years for Kidnaping

STAR CITY, Ark. (AP)—William D. Carrigan, a 35-year-old Negro, has been sentenced to a total of 36 years in prison for kidnaping a police officer on Christmas Eve. Carrigan pleaded guilty in the abduction of Harold Pearson, assistant Gould police chief, who had tried to quiet a disturbance.

Pearson was not harmed and Carrigan was soon arrested. Last week Carrigan sawed his way out of jail but was soon recaptured.

Circuit Judge Henry W. Smith of Pine Bluff imposed sentence on the kidnaping charge.

## Winter Has Icy Grip on Much of U. S.

By THE ASSOCIATED PRESS

Winter, a month old and rugged, held an icy grip across much of the eastern half of the nation today after a record cold weekend extending into the Deep South.

No immediate general break in the frigid weather was indicated but some warmer weather appeared on the way for the chilled Gulf states.

Lower temperatures, however, were indicated in Tennessee, the central Mississippi Valley and parts of the central Great Plains.

The cold weather and last week's snow storms and blizzards that swept wide areas have been blamed for at least 70 deaths. The fatalities were attributed to exposure, snow-shoveling exertion, traffic accidents on icy roads and fires. Seven children and a 33-year-old man perished in a fire in a home in Pasadena, Md., this morning.

It was below zero again this morning in most sections in the northern tier of states from the eastern Dakotas through the Great Lakes region into New England. The mercury dropped to more than 20 degrees below zero in northern Minnesota after a bone-chilling -34 in Bemidji, the nation's so-called "icebox" Sunday morning.

But in Norfolk, in western Connecticut, thermometers plunged to 33 below, four degrees shy of the record reading of -37 in 1943. A 56-year-old record was broken in

Tentative plans were made by the club for the flower show to be held this spring. It was announced that a flower arranging school would be held in Hope in March with Mrs. Robert Phillips of Malvern as the instructor.

Mrs. E. J. Whitman presented the program and used the subject "Perennials." Besides the club members, Mrs. Jack Ray was a guest. The hostesses served a dessert course with coffee.

## Mrs. O. F. Lloyd Hostess to Ramsey-Cargile Post of VFW

On Thursday, Jan. 19 the VFW Auxiliary of the Ramsey-Cargile Post met in the home of Mrs. O. F. Lloyd. The opening prayer was voiced by the chaplain, Mrs. T. B. Fenwick Sr.

The business meeting was conducted by the president, Mrs. Bob Massingill. During it the group discussed a local good will project, the sponsorship of a Girl Scout troop and the advisability of having identification tags for the school children. Plans were made for the District 10 meeting of the VFW and Auxiliary to be held in Hope, Feb. 5.

Mrs. Fenwick led a discussion on the questions and answers in recent issue of the auxiliary bulletin. The meeting was closed with prayer by the chaplain.

A sandwich and dessert plate with coffee or cold drink were served to the members and three guests, Mrs. L. R. Baker, Mrs. Garland Laugh and Mrs. Jim Lockhard. The February meeting will be in the home of Mrs. Henry Fenwick.

## Union Leader to Quit for \$250,000

By NORMAN WALKER

WASHINGTON (AP)—James G. Cross has quit as president of the Bakery and Confectionery Workers International Union—provided a pending corruption case against him is dropped and he is given a reported \$250,000.

The union's general executive board announced it had agreed to terms with Cross after sending a deputation to negotiate with him at his Palm Beach, Fla., home.

The board said "complete details of the settlement agreement must await court approval" but they include dismissal of pending litigation brought by some union subordinates alleging that Cross has "systematically plundered" the union's treasury.

It was reliably reported the board has agreed to give Cross over \$250,000 cash to liquidate his pension rights, and that there are other considerations.

For example, earlier drafts of proposed settlement agreements were said to have specified that in the event Cross is faced with new legal proceedings growing out of his eight-year union presidency the union would pay for his defense counsel and all other costs.

The suit pending in federal court here charges, among other things, that over \$100,000 in union funds already has been used to pay various legal costs in defending Cross, and that union money was used to buy and maintain his Florida home.

It also was charged that various personal expenses for Cross and his wife, including food, automobiles and entertainment, were paid by the union.

Cross has made his resignation conditional upon the litigation's being dismissed. It will be up to the court to decide whether this can be done. A private auditing firm reportedly has been investigating the union's finances at court direction.

Cross' union was expelled several years ago from the AFL-CIO on grounds it was corruptly dominated. The AFL-CIO established a rival union—called the American Bakery and Confectionery Workers—which has taken over approximately 80,000 of the original union's 140,000 members.

The union is reported to have lost about \$4 million in assets in the past few years. Its principal asset, the Solar Building, a modern office building in downtown Washington, recently was reported re-financed to give the union more cash but at higher mortgage terms.

## Dierks Official Gets Spa Award

HOT SPRINGS, Ark. (AP)—De Vere Dierks Jr., vice president of Dierks Forests, Inc., received the Junior Chamber of Commerce Distinguished Service Award at the Hot Springs Chamber of Commerce annual banquet Monday night.

Dierks is a member of the Chamber of Commerce board and the Ouachita General Hospital board.

Among the 400 guests was Gov. Orval E. Faubus.

T. J. Poe, manager of the Southwestern Bell Telephone Co., of Hot Springs took over as Chamber of Commerce president, succeeding Ray S. Smith Jr.

## Ex-Officer Faces Burglary Charge

NORTH LITTLE ROCK (AP)—Former North Little Rock police man Huey P. Long, 23, was charged with a third alleged burglary and grand larceny count in Pulaski Circuit Court Monday.

Prosecutor John T. Jernigan filed two counts of burglary and one of grand larceny in Circuit Court Friday against Long and Billy Thompson. The new charge Monday accused Long, Thompson and Bobby Griebel of entering

the seizure "unprecedented in peacetime." The Navy in Washington said that in ordering its destroyers to apprehend the ship, it was acting "under the well-defined terms of international law governing piracy and insurrection aboard ship."

Three U.S. PV2 long-range patrol planes from Puerto Rico ranged over the Caribbean to search out the cruise ship and report its position to the warships.

The British frigate Rothesay also was hot on the trail.

(A radio message heard in Curacao early today said an unidentified Swedish ship had located the Santa Maria 100 miles east of Trinidad.)

Miami agents for the Santa Maria said they had received a radio message from the vessel at 5 o'clock Monday night saying she was delayed by "engine difficulties." The ship was scheduled to stop at Port Everglades, Fla., at 7 a.m., today, but the agents, Shaw Bros., said the vessel reported it would arrive at 2 p.m.

## DOROTHY DIX

Mother With a Past, Lover With a Record

By HELEN WORDEN ERSKINE

Dear Helen:

The man with whom I led a life of sin insists he has reformed and wants to marry me.

I was married at 17. Out of a stormy nine years came two lovely little girls and a divorce. It was then I met this man—just released from prison. I left my small daughters with my mother and went to live with him. As the months dragged into a year we broke under the weight of sin and, in anger, he asked me to leave. Now he proposes marriage and he'll wait 10 years for me to make up my mind.

All I want is a chance to lead a decent, clean life and forget that there was ever anything so unhappy as a broken marriage or illicit love. Yet I don't want to hurt this man. He's been hurt enough.—Foolish.

Dear Foolish: Put your past, including this man with a prison record, behind you. Your little girls come first. Tell him so. If he really loves you he'll put them first to and—leave.

Dear Helen:

I have been working three years for a doctor. When you meet a nice man in the older bracket, is it proper to go out with him?—Mrs. G.

Dear Mrs. G.: I take it the doctor is the older man. Of course it's proper to go out with him, provided he is single and has no entangling alliances. Don't make the fatal mistake of being over-serious. Enjoy the moment.

Dear Helen:

I am 12 and have been asked to go steady with a boy 14. This boy is dating another girl. My parents don't think much of my dating HIM. Could you please help me?—C.C.

Dear C.C.: I hope your parents don't think much of your dating any boy, let alone this one. While there is no set age for a girl or boy to date, a girl of 12 is certainly too young to go steady—a custom I don't approve of at any

## Atom Armed Jet Crashes, Two of 4 Die

By NOEL YANCEY

GOLDSBORO, N.C. (AP)—A multimillion-dollar jet bomber carrying two unarmed nuclear weapons crashed near here early today. Two men were killed, four parachuted to safety, one man survived the crash and one was missing.

The Air Force said there was no danger of nuclear explosion or radiation.

One of the unidentified nuclear weapons was jettisoned before the crash and was parachuted safely. The second was found in the wreckage of the huge eight-jet B52G of the Strategic Air Command which crashed about 15 miles north of Goldsboro.

The plane, stationed at nearby Seymour Johnson Air Force Base, was returning for an emergency landing shortly after midnight after being airborne several hours. The pilot had radioed he was having fuel problems.

1st. Col. Thomas Coleman, a public information officer, said "it looks like it broke up in the air and fell." Parts of the plane were scattered over a 12-mile area.

The pilot, Maj. Walter F. Tulloch, 45, of San Diego, Calif., made a dramatic appearance at dawn. He had been considered missing, but he walked from a swampy woodland area to a farmer's home to notify base authorities he had parachuted.

The bodies of two men were found in the wreckage of the nose section of the plane.

Marshall Suggs, a Negro tenant farmer, said the plane flew directly over his house. He said the plane "sounded like it was about half running. I think it had already begun to fall when I heard an explosion that sounded like dynamite. It was mighty loud. I live 2½ miles away and it shook my house."

The first four of the survivors picked up were 1st. William R. Wilson, 27, of Somerville, N. J.; Capt. Richard W. Rardin 33 of San Antonio, Tex.; 1st. A. C. Matlocks, 27, the third pilot, of Mayville, N. C.; and Capt. Paul E. Brown, 37, of Beardstown, Ill., the navigator.

Others on the plane were Maj. Eugene Shelton, 41, of San Antonio, Tex., radar navigator; Maj. Eugene Richards, 42, of Toccoa, Ga., electronics weapons officer; and T. Sgt. Francis R. Barnhis, 35, of Greenfield, Mass.

## Extradition of Woman Sought

COVINGTON, La. (AP)—An extradition hearing will be held Friday for Mrs. Norma MacDonald, who Monday refused to return to Arkansas to face murder charges in connection with the slaying of her 73-year-old husband, E. B. MacDonald.

Gov. Jimmie Davis signed extradition papers for the woman but authorities said she refused to leave without a hearing.

Dist. Judge F. S. Ellis set the hearing after defense attorney Thomas Landry said there had been no time to examine grounds upon which the extradition proceedings were based.

MacDonald owned a farm near Mena, Ark. He was reported missing in mid-December, then parts of his body were found on the farm, in a station wagon his wife drove to Louisiana, and on other property in Arkansas and Louisiana.

His dismembered torso was found in a well near Mena.

tion in his inaugural address.

The Senate spent most of Monday's session in committee of the whole, discussing budget bills which will come up later. The Senate passed a bill to designate the Jenkins Ferry Civil War battlefield site in Grant County as a state park. Sponsors of the bill said land would be donated.

The House turned down a bill which would have erased a 1959 change in the primary election law. Under the change, two-man races are voted on in the first primary. Sponsors of the new bill wanted to put the two-man races back in the second primary.

The House passed bills to provide for payment of \$15 per diem to members of county boards of education and to legalize amber parking lights on automobiles.

A bill to set a maximum work week of 56 hours for city firemen. Instead of the present 72 hours, was tabled on its first reading, meaning the bill is dead.

Pulaski Rep. Glenn Wallther introduced a bill to require erection of at least three private voting booths at each polling place in the state. A bill outlawing billboard advertising within 600 feet of the right of way of any state or federal highway was introduced in the House.

Jefferson Rep. Jesse Walt introduced a bill to set up sales tax exemptions for items now exempted from the state use tax. St. Francis Rep. O. P. Hammons introduced a bill to create a seven-member Educational Television Commission.

## Fishing Research Bill Offered

WASHINGTON (AP)—Sen. J. W. Fulbright, D-Ark., has introduced a bill that would authorize the Interior Department to conduct research on why fishing declines in reservoirs as the reservoirs age.

Fulbright said he also intends to seek an appropriation for the proposed research. He said the Interior Department claims it has the authority to undertake such a project, but doesn't have the money.

A similar measure introduced by Fulbright in 1950 met defeat in the House after passing the Senate.

Abright said the Interior Department never has asked Congress to provide funds to finance the study.

About 60 million eggs are used by Americans each year.

give cities a larger share of state highway revenues and allow second-class cities to set up housing authority groups for slum clearance.

The Senate labor union bill would require a union to register certain information with the secretary of state.

Sens. Ellis Fagan, Max Howell and Q. Hyrum Hurst introduced a Senate resolution calling for a constitutional amendment to abolish the income tax.

The House unanimously adopted a resolution asking Congress to double the present personal exemption of \$600.

Neither proposal is expected to get more than passing notice in Washington.

## Dr. Phelps Named Man of Year

LITTLE ROCK (AP) — Dr. Ralph A. Phelps, president of Ouachita College at Arkadelphia, has been voted the Arkansas Democrat's 1960 Man of the Year in Arkansas.

The Woman of the Year title went to Miss Alma Keys of Little Rock, state supervisor of home economics education.

Each year Democrat readers cast ballots to determine who is to receive the awards.

## WHAT EVER HAPPENED TO BABY JANE

By Henry Farrell

Copyright © 1960 by Henry Farrell Distributed by Newspaper Enterprise Assn.

"Oh, you were so great, huh? So glamorous. What are you now, you old cripple?"

By HENRY FARRELL

THE STORY: Blanché Hudson, an old time movie actress whose career was ended by a crippling accident, has been watching her old films on television. With her is her sister, the former child vaudeville star Baby Jane Hudson. Next door, are Mrs. Bates and Harriett Palmer who discuss the accident that ended Blanché's career. There was something odd about it.

Blanché Hudson sighed, and hearing herself sigh, looked around in sudden apprehension at the dark, squat figure seated dimly at her side.

Disturbed by her own unhappy speculations, she had quite forgotten she was not alone. Turning now, she looked obliquely at the face of the woman beside her, a face both revealed and obscured by the shadowing dimness. The large, dark eyes, intent upon the images on the screen, were half closed, narrowed really, as upon some intense inner observation. The contours of the face, underscored by the shadows, seemed not so much softened with age as swollen by it, so that the sagging flesh threatened, greedily, to swallow up the once pert and childlike features embedded within its folds. But there was more there, too, more than mere age and some dark fledgling thought. There was a fever in the narrowed, watching eyes, and in the face there was a kind of angry justification.

Taking her gaze, by force, from Jane's face, Blanché made herself look back in the direction of the screen.

Jane's moods were now new, now were they a cause for alarm. Jane was simply in the first phase of one of her periodical "spells." They always started the same way, with the abrupt withdrawal into sullen silence, the dark

## Coach Broyles Signs a New 6 Yr. Contract

FAYETTEVILLE, Ark. (AP) — Arkansas Razorback football coach Frank Broyles has signed a new six-year contract and although university officials wouldn't say so, it probably provides a raise.

The 36-year-old coach who has led Arkansas to two Southwest Conference championships in two years is making \$17,300 under the present five-year contract signed in 1960.

A bill to permit a salary increase is now pending in the Arkansas Legislature.

Broyles' Razorbacks lost to Duke 7-6 in the Cotton Bowl game Jan. 2. Last year they whipped Georgia Tech 14-6 in the Gator Bowl.

His teams have won 21 of their 32 games since he came to Arkansas from the University of Missouri in 1953.

Broyles' old contract was subject to re-negotiation this year. His new pact will be subject to re-negotiation in three years.

The signing may have been timed to aid in recruiting. Broyles and his staff will be able to sign high school seniors to letters of intent beginning Feb. 1.

The coach said the signing of the new contract "will show faith to our friends and to future Razorback prospects of my intentions to stay at the University of Arkansas."

The Hogs have won 11 of their last 13 conference games under Broyles and 13 of 19 since he has been at Fayetteville.

The Hogs lost their first six games in 1958, then won the last four. In 1959 they went 9-3 and won the Gator Bowl. In 1960 it was 8-3, including the Cotton Bowl loss.

This is the first time Arkansas has been able to put Southwest Conference championships back-

## Arkansas New Athletics Coach

KANSAS CITY (AP) — The Kansas City Athletics announced today Billy Joe Jones, Clarksville, Ark., has replaced Jim Ewell as trainer for the club.

Jones, 25, was trainer for the past two years with Shreveport and previously spent a year with Little Rock.

He was signed as a player by the Athletics in 1957 and after a short trial with Grand Island of the Nebraska State League expressed a desire to become a trainer.

Ewell has been with the club since it came to Kansas City and before that was with the old Kansas City Blues.

## Hog Backfield Coach Joins Texas Tech

LUBBOCK, Tex. (AP) — The Arkansas Razorbacks have lost their offensive backfield coach to Texas Tech.

Merrill Green, 30, who went to Arkansas with head coach Frank Broyles from Missouri in 1958, has signed as an assistant to new Tech head coach J. T. King.

Tech President R. C. Goodwin made the announcement Monday and said Green would join the Tech staff next Monday.

Arkansas officials said no replacement has been named, and might not be until spring training draws near.

King, who replaced DeWitt Weaver at Tech, now has only one staff vacancy. Other new aides are Matt Lair and Willie Zapalac, from Texas A&M and to-back. The Hogs were co-champions in 1959.

"I think our future at Arkansas is bright," Broyles said. "We don't expect to have as much success in the future as we have had in the last two years but we will certainly work toward that goal."

## Exams Limit Cage Play in Colleges

By THE ASSOCIATED PRESS

Mid-semester examinations limit the major college basketball schedule Monday night to a pair of Big Ten games in which lowly Northwestern knocked off Purdue and Minnesota clobbered Michigan State.

Putting a halt on Olympian Terry Dischinger, Northwestern beat Purdue, 64-62, and knocked the Boilermakers out of a tie with top-ranked Ohio State for the Big Ten lead. Minnesota added to Michigan State's woes with an 89-70 victory.

In both games, the home team was victorious.

Dischinger, still operating with an injured middle finger on his right hand, was stymied by Northwestern's defensive tactics. The Wildcats played a four-man zone with the fifth man following Purdue's All-America candidate.

The Big Ten's leading scorer was limited to four shots and a total of six points in the first half and finished with 17 points for the night, far below his 29 point conference average.

Minnesota, a team which figures to be much better than its over-all 4-10 record, upped its Big Ten mark to 2-3 by crushing Michigan State. The Gophers led 47-31 at the half and never were threatened.

Bert Huffman, former Texas Tech mentor who was in business in New Mexico.

Green lettered three seasons (1951-53) as a halfback at Oklahoma. During two years in the Army he played on Fort Sill's national championship service team. Then he coached at Wichita for a year, and to Missouri to assist Broyles in 1957.

## Stocking New Team Aired by Pro Loop

By ED CORRIGAN  
Associated Press Sports Writer

NEW YORK (AP)—The National Football League meeting got under way today with the owners split into two factions on ways and means of stocking the new Minnesota Vikings.

One group wants to limit the number of players to be put up for grabs by Coach Norm Van Brocklin of the Vikings.

This faction points out that the Vikings already have been permitted to participate in the draft (they picked up 20 players), and have signed a pretty good quarterback in George Shaw.

The other group wants to give the Vikings the full list of 11 players to choose from—the same number the Dallas Cowboys picked from last season when they began operations. A spokesman for this group pointed out that even with the wide choice, the Cowboys didn't win a game.

"I think the Vikings should get the same break as the Cowboys," said Commissioner Pete Rozelle before entering the meeting. At any rate, the Vikings will wind up with 36 players, three from each team except the Cowboys.

It also seemed certain that the league will vote to expand its schedule from 12 to 14 games. At least one member agreed that it won't be easy, but that it is a necessity. Part of the solution will be to cut the exhibition season to

## Hope 'B' Boys Ousted From County Meet

By Vince Foster  
Hope Star Sports Writer

The Hope B boys were eliminated by Saratoga in a thriller in the Hempstead County Tournament at Guernsey last night 42-33. At Nashville the Lady Cats were edged out in overtime 33-31.

The Hope B boys jumped to a 11-7 lead in the first quarter, and then grabbed 4 more to lead 15-7 in the middle of the second. Saratoga came back with 4, but at that time the locals were out front 15-11. Then Coach Pierce sent in the second squad who could only manage to hold the victors to 7 points, while taking none. At the half Hope trailed 18-15.

A cold third period plus numerous walking violations hampered Hope and Saratoga led 29-23 going into the final quarter. In the early part of the fourth, Saratoga led by 10 points, but the B boys caught fire and soon pulled within 2 points. Again walking violations and two locals fouling out slowed Hope with 2 minutes

left to play. Saratoga picked up a few more points to take the game 42-33.

Larry Walker was high for the locals with 15 points. Roy Wray sank 8, Tony Purdie 4, and Billy Compton, Stretch Greene and Foster each got 2. Chism was high for the victors with 21.

At Nashville the Lady Cats played even ball in the first period, as the score read 6-6. They picked up an extra point in the second leading at the half 15-14. Hope also led in the third 22-20, but in the final period plus the overtime were outscored 13-9 and dropped the game to the favorites.

Melba Calhoun was the big gun for the Lady Cats, taking 18 points while Mitchell sank 7 and Messer and Callie took 3 each. Harper was high for the victors with 21.

In other games in the County meet last night Blevins Junior girls eked out a 25 to 24 victory over Spring Hill; Blevins Senior boys downed Saratoga 46 to 26.

## Arnold Will Try for Big Sweep Again

By MURRAY ROSE  
Associated Press Sports Writer

ROCHESTER, N.Y. (AP) — Arnold Palmer said today he intends to make another try at sweeping golf's big four championships—the Masters, U.S. and British Opens, and the PGA — this year.

If he fails again in this ambitious bid but comes as close to the unprecedented grand slam as he did last year, the handsome, 31-year-old king of the links probably could make sports history anyway.

For his outstanding feats in winning the Masters and the U.S. Open and topping the money winners with a record \$80,378, among other notable achievements, Palmer emerged as the decisive

winner of the S. Rae Hickok Pro Athlete of the Year award.

The Latrobe, Pa., golfer beat a formidable field, including heavyweight boxing champion Floyd Patterson, quarterback Norm Van Brocklin of the NFL champion Philadelphia Eagles, and Pittsburgh World Series hero Bill Mazeroski and Vernon Law.

Palmer received 73 first place votes from the nationwide panel of 145 sports writers and sportscasters and 302 points on a 3-2-1 basis. Patterson got 35 first place and 196 points. Van Brocklin's score was 19 first places and 176 points to 41 and 53 for Mazeroski and 5 and 35 for Law.

In addition to the honor, Palmer also received the hefty, \$10,000 jewel-studded belt that goes with the selection. He was presented the eye-catching prize at the annual charity dinner of the Rochester Press and Radio Club Monday night.

## Unions Win One State Election

MEMPHIS (AP)—The National Labor Relations Board's office here said unions have won one of three representation elections in Arkansas.

John Cienki, NLRB group supervisor, said the Boilermakers Union won the right to represent production and maintenance employees of Newberry Equipment Co., West Memphis, in a 4 to 6 vote.

Employees of Safeway Stores, Blytheville, rejected organization by the Retail, Wholesale and Department Store Union and the Retail Clerks International Association in a 6-4 vote.

At Reclor, employees of W.H.B., Inc., an aircraft and missile parts manufacturer, voted 44 to 38 against the International Association of Machinists.

Perhaps the most difficult test of the 11 games remaining on the Ohio State schedule comes Saturday afternoon when Jerry Lucas and his gang play Purdue which had been unbeaten in Big Ten competition until Monday night.

Ohio State rolled to its 13 straight Saturday by downing Minnesota 75-56. Their only game this week is the Saturday matinee regional TV date with Purdue.

St. Bonaventure and Bradley still follow Ohio State in the same order. The Bonnies boosted their record to 14-1 by thumping Calicut in their only start last week. Bradley, like many others, was idle due to the examination period. The big game coming up for both is Bradley-St. Bonaventure Feb. 2 at New York.

The leaders with first place votes in parentheses and points on a 10-9-8 etc. basis:

1. Ohio State (36) 360
2. St. Bonaventure 304
3. Bradley 283
4. North Carolina 218
5. Duke 194
6. Iowa 145
7. St. John's 136
8. Louisville 95
9. Southern California 39
10. Purdue 37

## Ohio State, Unbeaten, Still Tops

By THE ASSOCIATED PRESS

Ohio State, only unbeaten major college basketball team in the nation, continues to roll along with every first-place vote in the weekly Associated Press poll. For the sixth straight week, the Buckeyes are the unanimous choice of the 36 sports writers and sportscasters who voted.

Perhaps the most difficult test of the 11 games remaining on the Ohio State schedule comes Saturday afternoon when Jerry Lucas and his gang play Purdue which had been unbeaten in Big Ten competition until Monday night.

Ohio State rolled to its 13 straight Saturday by downing Minnesota 75-56. Their only game this week is the Saturday matinee regional TV date with Purdue.

St. Bonaventure and Bradley still follow Ohio State in the same order. The Bonnies boosted their record to 14-1 by thumping Calicut in their only start last week. Bradley, like many others, was idle due to the examination period. The big game coming up for both is Bradley-St. Bonaventure Feb. 2 at New York.

The leaders with first place votes in parentheses and points on a 10-9-8 etc. basis:

1. Ohio State (36) 360
2. St. Bonaventure 304
3. Bradley 283
4. North Carolina 218
5. Duke 194
6. Iowa 145
7. St. John's 136
8. Louisville 95
9. Southern California 39
10. Purdue 37

## Gun Duel Wounds Fatal to One

EL DORADO, Ark. (AP)—

Rance Miller, 47, Negro, of Strong, died Sunday in an El Dorado hospital of wounds inflicted in a gun duel Saturday night.

Police said that Miller was shot in the abdomen and upper legs five times in a gun battle at Strong with Jesse Dickson, 45-year-old Negro also of Strong.

Dickson is in the hospital. He suffered wounds in the shoulder, arms and hip. His condition was described as good.

Police said the argument allegedly started over a woman.

## OPPORTUNITY IN NUTRIA FUR RANCHING

### Q. WHAT IS NUTRIA?

A. NUTRIA is a fur bearing animal. It is a member of the rodent family known as "Coypu." The NUTRIA originally comes from the temperate zones of South America. Its back feet are webbed for swimming and front feet are used as hands. The fine soft valuable fur is hidden underneath a longer guard hair which is plucked off in dressing. The color of the fur is a rich dark brown.

### Q. WHAT DO THEY EAT?

A. Pellets and corn. Cost is about 1c per day. Most any green vegetable that comes from your garden. They love carrots, lettuce, sugar beets and even grass clippings.

### Q. HOW MUCH SPACE IS NEEDED, TYPE OF PENS AND COST?

A. Pens are made with a concrete floor, 1 1/2 to 2 inches thick. Walls can be made of cement or 4" building blocks. Pens vary in size from 4' to 8' wide and 14' long. A water pool is provided on one end and a nest area on the opposite end for shelter and bearing the young. Cost of pens will vary from \$6.00 to \$26.00, depending on size and materials used.

### Q. HOW FAST DO NUTRIA REPRODUCE?

A. On an average, each female will litter twice each year and have an average size litter of 6. Total of 12 offsprings per female.

### Q. WHAT IS THE BASIC CARE?

A. They are fed once daily. The water must be changed daily. Provide straw for nest area as needed. Straw should be changed every 2 to 6 weeks.

### Q. WHAT CAN I MAKE IN DOLLARS AND CENTS?

A. No one can answer this any better than you. This is strictly up to the individual. However, I can give you the honest facts on prices that were paid for NUTRIA skins last year. No. 1 extra large \$20.00. No. 1 Large \$17.00. No. 1 small \$15.00. A rancher can make a profit at only \$10.00 a skin. He can make a good profit at 15.00 a skin. The good NUTRIA rancher can keep on a strict herd improvement program and use only his very best for breeding stock and this is the rancher who is going to produce the No. 1 extra large for the most money.

Three years ago, the No. 1 extra large skins brought only \$10.00 each. Last year they brought \$20.00 and if it continues to climb at this same rate, three years from now they would bring \$30.00 for the No. 1 extra large skins.

100 females can produce 1000 skins a year and at \$25.00 average for the skins, it would be a very nice income. THINK ABOUT IT!

The rancher who produces the best skins make the best money. He is also the one that will have the advantage in future breeding stock sales, which could make him financially independent. The potential is there... but it is not on a silver platter.

### Q. MUST I PAY A HIGH PRICE FOR MY BREEDING STOCK IN ORDER TO GET THE BEST?

A. NO. The only regret I have had in the NUTRIA business is the fact that I paid a fancy price for breeding stock with pedigreed papers, which was nothing but a dead expense on the rancher. Even the wild NUTRIA of Louisiana can be registered and pedigreed. Yet they are of little value on the fur market. Pedigreed papers and high prices do not determine the true value and quality of the animal. Buy your animals from a rancher who knows NUTRIA and will sell only his very best for breeding stock. A salesman knows only what he has heard. The rancher knows the true facts and will pass them along as such.

### Q. WHERE SHOULD I BUY MY STOCK?

A. For your own benefit and protection, check with an established rancher. Chances are he will have some animals that have already been bred and will litter before long. His prices will be reasonable for some of the best animals and there will be no delivery charges on the buyer.

### Q. WHEN WOULD BE A GOOD TIME TO START?

A. As soon as possible. The opportunity is much greater now than it ever has been. The longer you put it off, the longer it is until you start making a return.

### Q. HOW MUCH SHOULD I INVEST?

A. As much as you like; \$10,000 or \$1,000 it is up to the individual. The very minimum to get started would be \$300.00 for one pair of animals.

### Q. WILL I HAVE A MARKET?

A. YES. The Western Council of Nutria Ranchers, a marketing association, has sold all NUTRIA skins available for the last 3 years, with a price increase each time. It is expecting another price increase this year also. This is the only association that I as a rancher will recommend. We sell our breeding stock on a money back guarantee if not satisfied, or if we misrepresent the NUTRIA industry to you.

DEDICATED TO A TRUTHFUL REPRESENTATION OF THE NUTRIA INDUSTRY.
